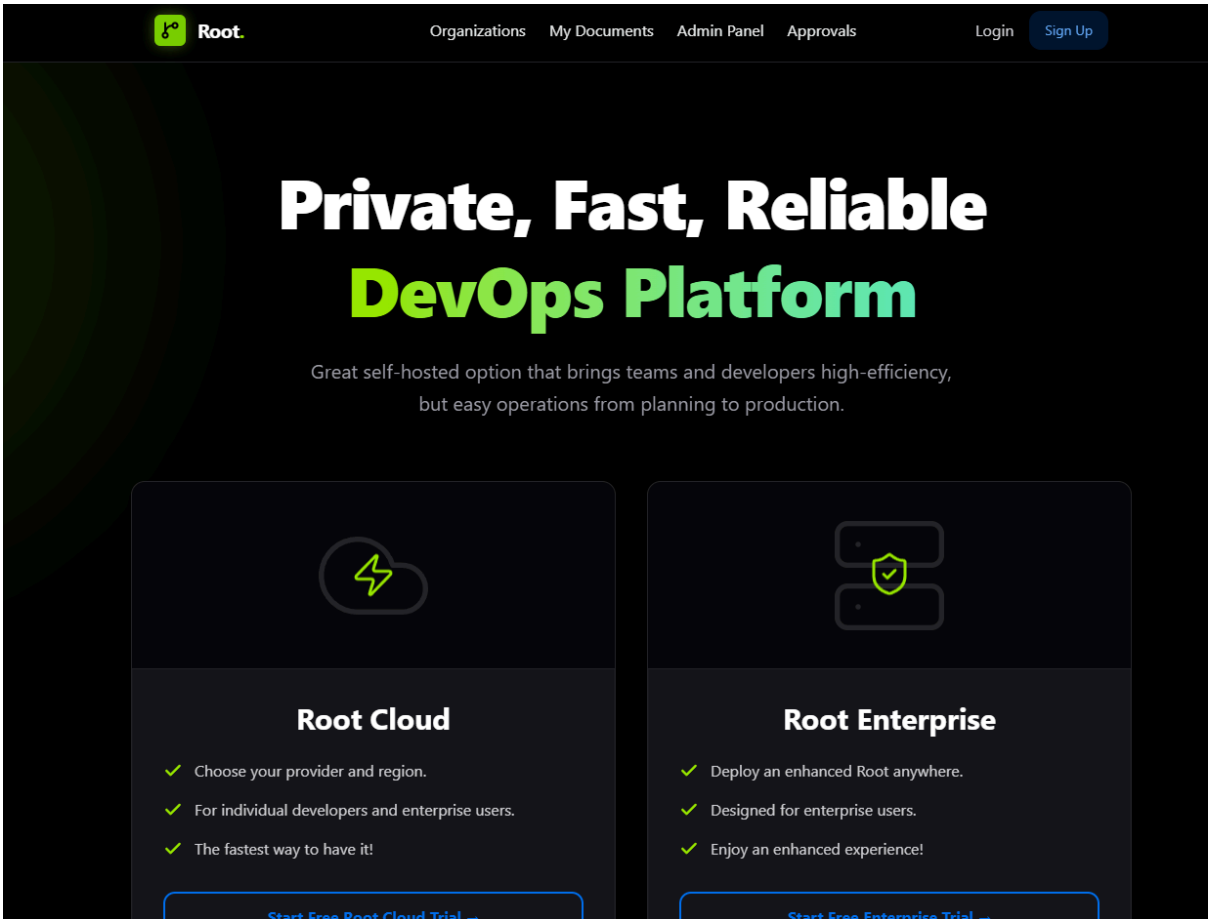
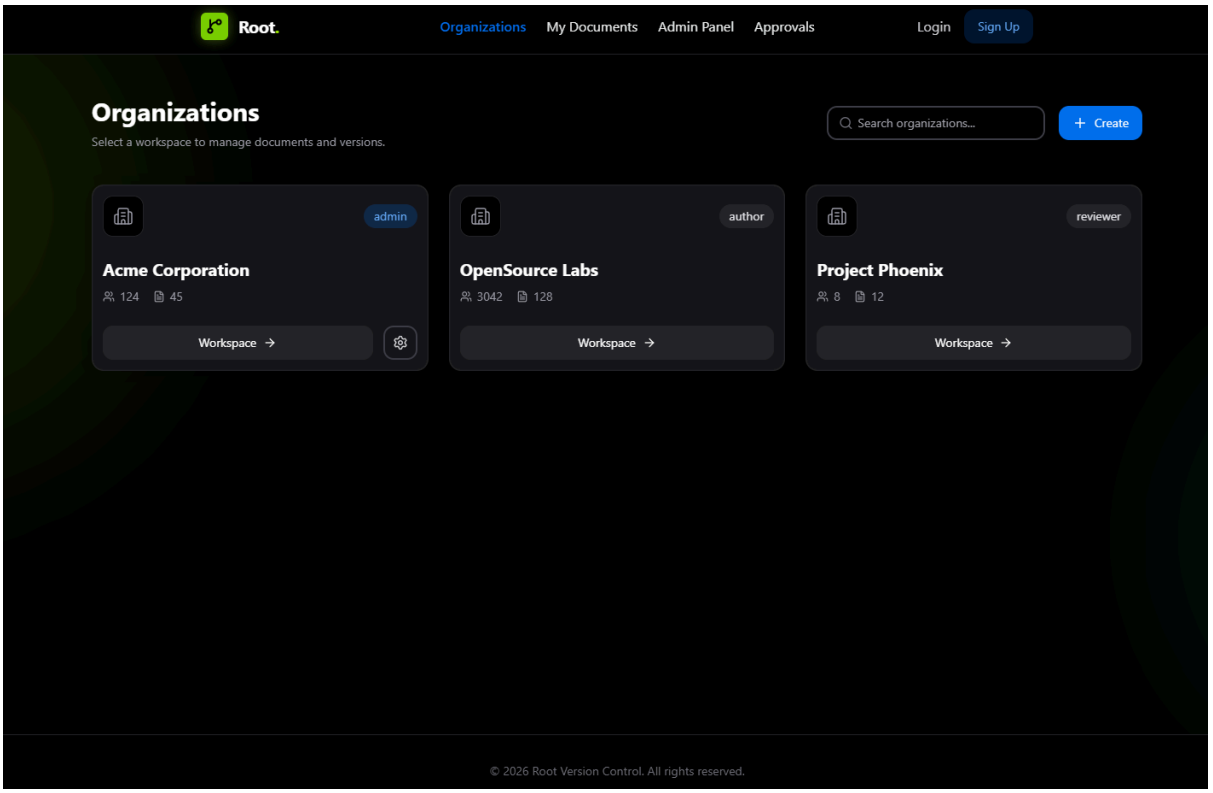
Website Tabs - User Guide

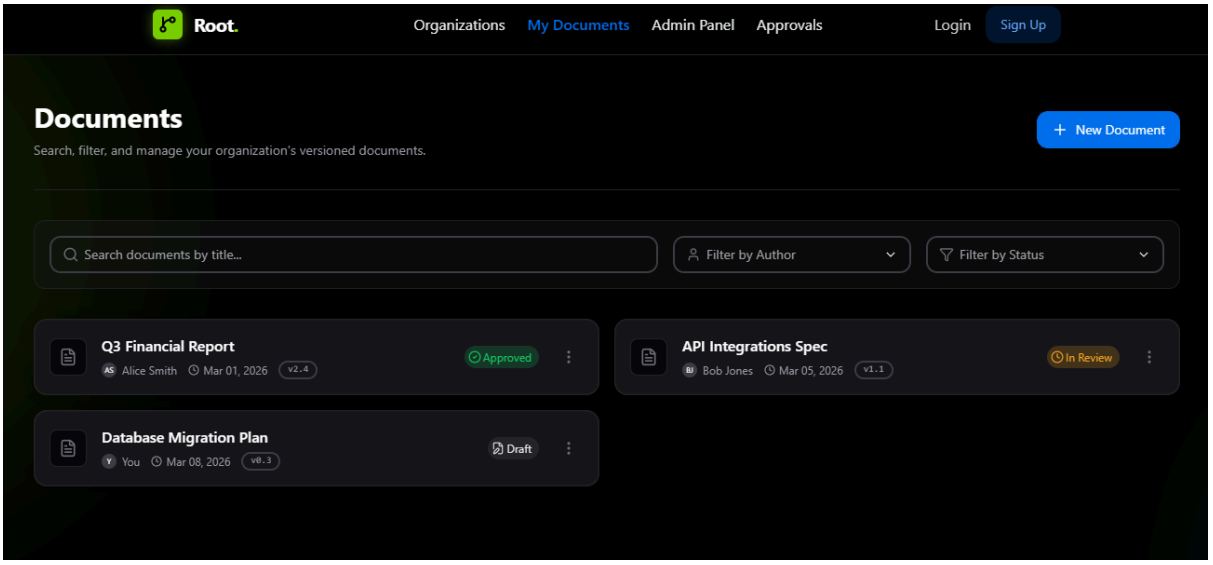
From the home page you can access the cloud and enterprise plans as well as the rest of the menus.

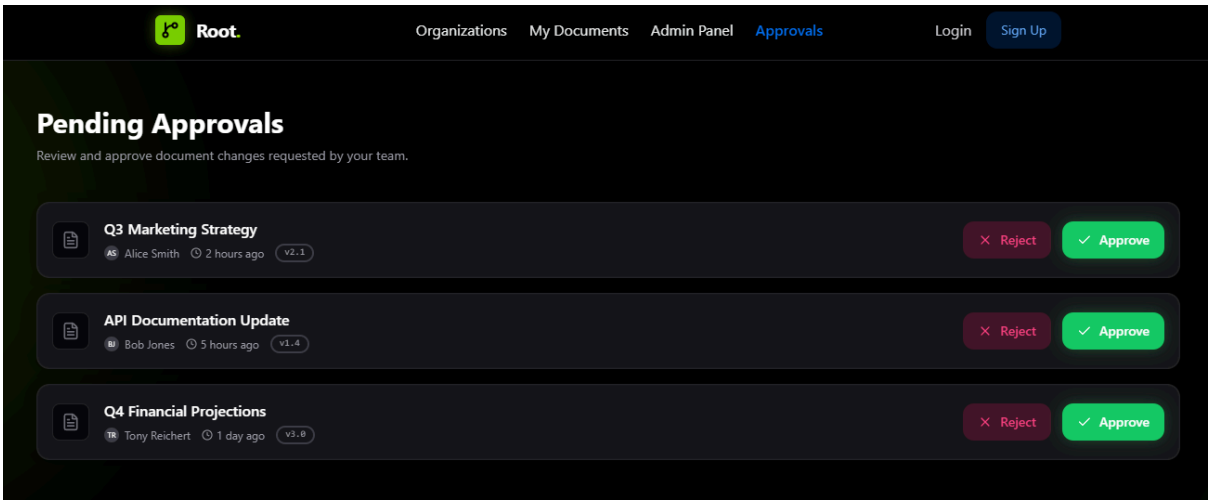


The organizations tab shows you all the organizations you are a part of and allows you to enter the workspace.



The ‘My Documents’ tab shows you all the files in which you are involved, be it as an author, editor or reviewer. You can also filter the files by author or status.





The ‘Approvals’ tab is responsible for listing the files pending for review if you are a reviewer.
